HIGHLIGHTS

March was short but sweet at Silver Star! Many of our intermediate classes squeezed out the last few drops out of winter by doing some skiing and snowshoeing at Sovereign Lake and Silver Star Mountain. Karaoke club wrapped up with a bang, thanks to Mr. Hough and Mr. Anderson for hosting. Our primary students really enjoyed some warmer weather and not having to wrestle their snow gear. We are so happy to hear about the excellent adventures and awesome times your families spent together over Spring Break.

The last term of the school year is always filled with excitement and adventure, please pay attention for upcoming Field Trips or special adventures and activities for your student(s).
